

代码片段

```
struct M{  
    int v;  
    double d;  
};  
tbb::mutex<M> b;
```

编译错误信息

```
.../tbb/atomic.h:220:34: error: implicit instantiation of undefined template  
`tbb::internal::aligned_storage<M, 16>'  
.../tbb/atomic.h:405:16: note: in instantiation of template class
